

COVID-19 WARNING

Central Pasco & Gulf Railroad

We have taken enhanced health and safety measures—for you, our other Guests and Volunteer Members.

You must follow all posted instructions while visiting Central Pasco and Gulf Railroad in Crews Lake Park.

An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death.

According to the Centers for Disease Control and Prevention, senior citizens and Guests with underlying medical conditions are especially vulnerable.

By visiting Central Pasco and Gulf Railroad you voluntarily assume all risks related to exposure to COVID-19.

Health Acknowledgement

Please make sure that you have reviewed any advisories or restrictions that may be in place for travel to Florida. Visit floridahealthcovid19.gov/travelers/ for information. By entering Central Pasco and Gulf Railroad, you are confirming that you and all persons in your party: are **not** experiencing any of the following symptoms of COVID-19 identified by the Centers for Disease Control and Prevention at CDC.gov, including:

Fever or chills	Cough
Shortness of breath or difficulty breathing	Fatigue
Muscle or body aches	Headache
New loss of taste or smell	Sore throat
Congestion or runny nose	Nausea or vomiting
Diarrhea	

Have not been in contact with someone with confirmed or suspected COVID-19 symptoms without completing a 14-day quarantine

Are not under any self-quarantine orders

Guests who cannot confirm all the above criteria must not enter Central Pasco and Gulf Railroad. By entering Central Pasco and Gulf Railroad, you acknowledge that you understand and will abide by the above health-and-safety requirements.

Face Masks

Cloth face coverings must meet CDC design specifications to:

Fit snugly but comfortably against the side of the face

Completely cover the nose and mouth

Be secured with ties or ear loops

Include multiple layers of fabric

Allow for breathing without restriction

Be able to be laundered and machine dried without damage or change to shape

Reusable face coverings should be frequently washed at a minimum once per day

Single use coverings should be properly discarded

Based on guidance from health authorities, at this time, neck gaiters, open- chin triangle bandanas, and face coverings containing valves, mesh material or holes of any kind are not acceptable face coverings.
